NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND HEALTH INSURANCE

According to your application, you intend to lapse or otherwise terminate existing accident and health insurance, and replace it with a policy issued by *Kanawha Insurance Company*. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy. In particular, study the comparison statement which your agent is required to furnish you upon taking your application.

1. Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim may have been payable under your present policy.

2. You may wish to secure the advice of your present insurer or its insurance producer regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure that you understand all relevant factors involved in replacing your present policy.

3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for Kanawha to deny any future claims. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.
