NOTICE TO APPLICANT REGARDING REPLACEMENT OF ACCIDENT AND HEALTH INSURANCE

According to your application, you intend to lapse or otherwise terminate existing accident and health insurance, and replace it with a policy issued by *Kanawha Insurance Company*. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1 Health conditions which you may presently have (pre-existing conditions) may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim may have been payable under your present policy.

2 You may wish to secure the advice of your present insurer or its insurance producer regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure that you understand all relevant factors involved in replacing your present policy.

3 If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for Kanawha to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.

NOTICE TO CONSUMERS

Age 65 and Older

This Notice is required by the Texas State Board of Insurance because of its concern that some consumers may buy unnecessary coverage or may replace their coverage needlessly. Buying too much coverage or replacing a policy may be a waste of your money.

1. Purchasing more than one policy of each of the following types may be unnecessary and costly:
   - Specified disease (cancer, stroke, etc.)
   - Hospital indemnity
   - Basic hospital expense or basic medical expense (these policies are typified by a scheduled benefit per illness)
   - Long term care

The Texas State Board of Insurance cannot say whether you should or should not purchase any or all of these policy types. The decision is yours alone and should be determined by your needs and circumstances.

2. If you have more than one policy in any of the above categories, the Texas State Board of Insurance suggests that you get a second opinion from someone you trust as to whether you need more than one of these policies.

3. If you replace existing health insurance policies, you may lose coverage during a period of time that new exclusions, reductions, limitations or waiting periods must be served.

4. The Texas State Board of Insurance strongly urges you to allow your insurance producer or company to review all of your current health policies prior to replacing existing health coverage or purchase additional health coverage.

I certify that my right to have all of my existing health policies examined has been explained to me by the insurance producer named above.

❑ I have been informed that the policy for which I am applying **WILL** or **WILL NOT** (circle one) result in duplicate coverage.

❑ I have chosen to waive my right to have my policies reviewed to determine if they unnecessarily duplicate each other.

I have read the above notice. Dated this _____ day of _____, _____
